

HAND TOUCH

About Us

HAND TOUCH has started its journey in 2002. Nine years of excellent business experience in our local market made us confident to step into the export market in 2011. We have harvested good results through exporting crafts and handloom products to European countries and the US, Canada and Japan. Gradual increase in export sale revenue reiterates our confidence that our products invite customers' attention with its utility and fashion statement.

Recently we obtained **Sedex SMETA(4 PILLAR CERTIFIED)**, **ISO 9001:2015**, **ISO 14001:2015** and **amfori BSCI** certifications and we are also member of the "Ecota Fair Trade Forum" in Bangladesh.

Quality Control & Packaging

Quality Control :

We have in house quality control team of 05 members, and we always welcome our buyer nominated quality control teams.

Packing & Packaging :

We have a dedicated team for packing & packaging consists of 07 members, and we hire more people if required.

For Accessories, we have a responsible person who can look after this section. We follow buyer instructions carefully for accessories.

We provide in store and container fumigation service, pest control operation and dry bag in the container. Also each carton box has been provided with proper amount of desiccant.

For packing generally we use 5/7 ply carton box but if buyer has special instruction we do follow that as well.
